PROFESSIONAL SUMMARY

Retail operations professional with 15+ years across grocery retail and consumer packaged goods (CPG), including fast-moving consumer goods (FMCG). Directed launch and category operations for a chain that expanded to 300 locations across 12 provinces within 24 months. Connects importing and distribution experience with purchasing, pricing, and replenishment. Combines international operating experience with project management certification and U.S. economics and supply chain study.

WORK EXPERIENCE

Doctoral Researcher, Retail Sourcing, Pricing & Supply Chain Analytics **Apr 2024 - Present**

University of Texas at Dallas | Richardson, TX

- Analyze U.S. retail scanner data to study pricing, consumer demand, and promotional response.

Mohsen Industrial Group **Dec 2017 - Mar 2024**

Director, Retail Launch & Category Operations **Mar 2020 - Mar 2024**

Hayat Market | Greenfield hard-discount grocery launch | 12 provinces

- Directed retail launch and category operations for a grocery chain that generated \$10.2M in first-year revenue.
- Built the supplier network for a new discount grocery chain, onboarding 180 suppliers and negotiating launch terms and the initial assortment.
- Established centralized purchasing, replenishment, allocation, and supplier performance tracking.
- Contributed to SAP Retail and Power BI reporting for purchasing, supplier performance, replenishment, and inventory availability.

Associate Director, Strategic Sourcing & Import Operations **Jan 2019 - Mar 2020**

Farasoo Paydar Trading Co. | China, UAE, and Turkey sourcing

- Managed consumer goods sourcing from China, the UAE, and Turkey, including supplier negotiations, import logistics, and letters of credit.
- Reduced port-to-shelf cycle time 20% by streamlining import logistics.
- Aligned commodity purchasing with budgets and demand forecasts; coordinated banking, customs clearance, and delivery.

Senior Manager, Retail Operations & Category Pricing **Dec 2017 - Jan 2019**

WinMarket Chain Stores | Soft-discount retail, 500-unit network

- Set category, supplier onboarding, and pricing standards for 200 store openings in 12 months.
- Revised assortment, supplier trade terms, and retail pricing, increasing comparable-store sales per square foot 18% within six months.
- Managed contracts, assortment, and compliance across more than 150 suppliers.

Manager, Procurement & Category Management**Mar 2013 - Sep 2017***Ofogh Koorosh Chain Stores | 900-store grocery network | 26 provinces*

- Managed \$500M+ in annual category procurement across a 900-store grocery network and 2,500+ stock keeping units (SKUs).
- Reduced inventory waste 15% by redesigning replenishment and availability processes to balance service levels and working capital.
- Reduced category cost 8% year over year through competitive bidding, contract negotiation, and supplier reviews.
- Co-developed new products and private-label ranges using point-of-sale demand signals and category gap analysis.

Commercial Strategy & Commodity Sourcing Lead**Aug 2011 - Mar 2013***Multi-division FMCG industrial group*

- Led commercial strategy and commodity sourcing across four business units, contributing to \$60M in year-over-year revenue growth.
- Implemented landed-cost analysis and import banking for rice, tea, sugar, and pulses across four business units.

Commercial & Sales Specialist**Jan 2008 - Aug 2011***Food manufacturing, import, and export*

- Expanded distribution channels, supplier partnerships, and retailer promotions, delivering 40% annual revenue growth in imported consumer goods.
- Launched an edible-oil product line, coordinating crude-oil sourcing and finished-product packaging.
